For Rising First and Second Graders

Get the ball rolling for next year's success!

Accelerate Student Learning for Success

Now more than ever, students need an opportunity to focus on essential foundational literacy skills that will help them confidently tackle the next school year. The Foundations Ready to Rise[®] program is designed to provide summer reading support or an intensive boost at the start of the school year in districts using the Wilson Foundations[®] program in the regular classroom.

Designed to accelerate student learning by focusing on what needs to be learned to tackle upcoming grade-level material, this approach readies students for their regular Foundations lessons.

Foundational Skills for Rising First and Rising Second Graders

- Students going into first grade during the next school year can be placed in a Foundations Ready to Rise Program for Rising First Graders.
- Students going into second grade during the next school year can be placed in a Foundations Ready to Rise Program for Rising Second Graders.

For both groups, each lesson is 90 minutes and focuses on three key components (see table below). A daily plan is provided and followed for 20 days.

Word Study Component	Transcription Skills Component (Handwriting and Spelling)	Application and Fluency Skills Component

Great News!

If Foundations materials are already on hand, only the Ready to Rise[®] **Teacher Guide** and **Student Practice** consumables need to be purchased!

1. The day-by-day **Fundations Ready to Rise[®] Teacher Guide** is easy to follow, providing clear directions for 20 days of instruction.
2. The **Fundations Ready to Rise[®] Student Practice Notebook** conveniently includes all practice materials for each student.
