WILSON fundations™

TIER 2

Fun in Focus®

Structured Support for Tier 2 Success

Fun in Focus® Intervention Kits for Fundations® Tier 2 available now!

Fundations Tier 2 just got easier with our Fun in Focus Intervention Kits for Levels 1 and 2. These convenient and comprehensive kits include essential Fundations materials, lesson plan guidance, and student practice for **efficient Tier 2 targeted intervention**. Aligned with Fundations Tier 1, Fun in Focus is an explicit curriculum for students needing additional targeted support. Each 30-minute lesson is delivered in a structured, teacher-led format, **providing ample and meaningful student practice** to help more students reach their literacy goals.

All the Benefits

Intentionally designed with everyone in mind

Teachers:

The all-in-one Fun in Focus® Intervention Kit saves teacher time with lesson guidance and aligned materials for student practice.

Students:

The intensive curriculum provides additional meaningful instruction and targeted practice struggling students need in order to achieve mastery and keep up with the rest of their class.

Administrators:

Structured lesson plans, aligned materials, and program continuity make successful Fundations® Tier 2 implementations more accessible to a wider group of teachers and interventionists.

Order Fun in Focus for Levels 1 & 2 today.

Levels 1 and 2 Fun in Focus Intervention Kits provide teachers and students with all the materials needed to implement a Fundations Tier 2 program—with Success Bundles available for Year 2 and beyond.
